An Appeal for Donation of Books and Research Materials

Dear Sir/Madam,

It is a matter of immense pride for me to share with you all that we have been successful in our attempt to establish our own research library in the Department premises. The research library is mainly for the researchers of the Department of Commerce currently pursuing their M. Phil and Ph. D. Courses. The newly established library of the Department can be a boon for our researchers, if you can contribute to the reading materials and research oriented books for our newly set-up research library.

Our Library would consist of the following:

1. Ph. D. Thesis
2. M. Phil. Dissertations
3. Journals (National & International)
4. Text Books
5. Research Books

We would be highly obliged if you could donate some of your rare collections which would cater to the intellectual pursuit of our research scholars.

We look forward to your kind co-operation for this noble act which may change the destiny and destination of many of our scholars.

Anticipating your positive response

Sincerely yours,

Prof. J P Sharma
Head, Department of Commerce
