GUIDELINES FOR AUTHORS

Journal of Commerce and Business Studies is a peer reviewed bi-annual journal. The original unpublished manuscripts are welcomed for submission by both academicians and practitioners in the field of business and management.

The author should send the soft copy of the manuscript typed in MS Word at commercejournal.dse@gmail.com

The manuscript should be accompanied by:

- (i) Cover page containing title of the paper, author's name, designation, official address, contact address, phone/fax numbers and e-mail address.
- (ii) A non-mathematical abstract of about 150 words
- (iii) An executive summary not exceeding 500 words
- (iv) Four to five keywords

The recommended length of the article is 15 to 20 typed pages including figures and tables typed with 12-point font on "8.5 x 11" (A-4) size papers with 1.5 inch margin on all four sides.

References should be placed at the end of the manuscript. The list should mention only those sources cited in the text of the manuscript. Authors are requested to follow APA (6th ed.) style developed by American Psychological Association. For more information in this regard author is requested to refer

American Psychological Association. (2009). Publication manual of the American Psychological Association (6th ed.). Washington, DC: Author.

American Psychological Association. (2007). APA style guide to electronic references (PDF).

Washington, DC: Author. Available from www.apa.org/books/

The in-text references should include the author's name, and year of publication: 'Chapman (1983) has argued... Many questioned the equality of working Japanese women (Sano, 1983). Where an author has more than one publication in the same year, use alphabetical ordering to distinguish: '... for example, (Dabscheck, 1986b)

The reference list should be arranged in alphabetical order by the first author. The full reference in the reference list will be:

- (i) For books: Fait, R.C., (1984). Specification, Estimation and Analysis of Macroeconomic Models, Harvard University Press, Cambridge.
- (ii) For articles within books: Mehra, Y.P. (1994). Wage Growth and the Inflation Process: An empirical Approach. In B.B. Rao (Ed.) Cointegration for the Applied Economist (pp. 147-159). Basingstoke: Macmillan Press.
- (iii) For articles in journals: Verhoef, P. (2003). Understanding the effect of customer relationship management efforts on customer retention and customer share development. *Journal of Marketing*. (October), Vol.67, 30-45.
- (iv) Journal Article with DOI: Paivio, A. (1975). Perceptual comparisons through the mind's eye. *Memory & Cognition*, 3, 635-647. doi:10.1037/0278-6133.24.2.225
- (v) Journal Article without DOI (when DOI is not available): Becker, L. J., & Seligman, C. (1981). Welcome to the energy crisis. *Journal of Social Issues*, 37(2), 1-7.
- (vi) Hamfi, A. G. (1981). The funny nature of dogs. *E-journal of Applied Psychology*, 2(2), 38-48. Retrieved from <http://ojs.lib.swin.edu.au/index.php/fdo>
- (vii) All tables, graphs, equations should be in black and not in colour. Wherever necessary, the source should be indicated at the bottom. All figures should be indicated in millions and billions. All tables and figures to be numbered: Table 1, Fig. 1

Please refer to the resources indicated above for information on how to cite other kinds of sources like, websites, unpublished material etc.

Introduction section must have no heading. Subsequent headings to be set in 'bold' letters and shall not be lettered or numbered.

Quotations of four lines or more should be indented and types in single space. Shorter quotations should be included in the body of the text.

Mathematical notations should be clearly typed. Check the layout of mathematical expressions especially alignment, centering, length of fraction lines and type, position and closure of brackets.

Footnotes, which should be kept to a minimum, and should be numbered serially and included at the end of the article in double spaced typing.

Tables must be numbered consequently and typed on separate page, with 1.5 inch line spacing, following the reference section. Mark the table location within the text.

Authors are responsible for making sure that they have not duplicated an article already published or accepted. Authors should certify on the cover page of the manuscript that the material is not published, copyrighted, accepted or under review elsewhere. Authors using questionnaires should include a copy of the questionnaire along with the manuscript.

Authors can also send names of up to five potential references on a separate sheet. Please mention their area of expertise, designation and full mailing address. The suggested referees should not have been students or teachers of the author at any time. They should also not be co-authors on any work,

Proofs may be sent to the authors, if necessary, for correction. They should be carefully scrutinized and sent within two weeks after highlighting the changes incorporated in the text.

When a paper is accepted for publication author must submit a hard copy and soft copy of the final version.

Responsibility for the content of articles and communications, also for possible infringements of copyrights, remains entirely with the author(s) concerned. Upon acceptance of a paper, the author(s) will have transferred the copyright of the article to the '-The Journal of Commerce and Business Studies', Department of Commerce, University of Delhi.

The manuscript finally accepted for publication should be sent to 'The Editor, Department of Commerce, Delhi School of Economics, University of Delhi, Delhi- 110007, India'.

A copy of the journal will be sent free of cost to each author, with 5 reprints of their papers.

Book review policy: While recent publications will attract detailed reviews, those published prior to two years of the present issue will be briefly reviewed or cited under 'Book Received'. The decision to review the books in detail or publish a brief review vests with the Editorial Board. If the books are not to topical interest, they will just be mentioned in the Books Received section, irrespective of the year of publication.

Copyright of all accepted papers will vest with the Department of Commerce, Delhi School of Economics, University of Delhi, Delhi- 110007, India. Permission to make digital/ hard copy of published work is granted without fee for personal or classroom use, otherwise a special permission is required to be obtained from the department.

Journal of Commerce and Business Studies

Department of Commerce formally set up as a separate entity in 1967, has imbibed the Delhi School of Economics tradition of exploring new frontiers of knowledge and innovation in academics. In its history spanning over three decades, it has redefined commerce education in the country and its rapid growth is reflected in the expansion as well as novelty of its academic programmes. To extend further the dissemination of knowledge, department wishes to publish its bi-annual journal titled Journal of Commerce and Business Studies.

Journal of Commerce and Business Studies - a peer reviewed journal – will address a wide range of research areas related to Management, Commerce, Economics, Business, Retailing, Finance, Marketing, Human Resource, Banking, Insurance, Corporate Governance and emerging paradigms as allied areas of knowledge. Academicians, professionals and researchers in all parentheses related to commerce and business are, therefore, invited to submit their research articles and reviews, validations and the impact of new emerging issues on business, and case studies for publication in the journal. For publications, the papers will be selected through double peer review process to ensure their originality, relevance, and credibility.

Authors are invited to submit their manuscript, prepared as per the enclosed guidelines, for publication in the journal. Manuscript should be submitted online at commercejournal.dse@gmail.com. Once accepted for publication author will be intimated about the specific issue of journal the manuscript will be published.
