Dear Sir,

It has been brought to the notice of the Shodhganga Committee that there is a large variation in mechanism of Plagiarism Check being performed by students, Departments and libraries. The Committee met on 29.12.2014 and decided on the following guidelines which must be adhered to for submitting the Plagiarism reports generated by Turnitin or iThenticate softwares at the time of thesis submission:

1. The final Plagiarism check from the library is essential so that the correct report is submitted at the time of thesis submission.
2. 2. The exclusion at the time of performing the check should be limited to the following:
 - A. Quotes
 - B. Bibliography
 - C. Phrases
 - D. Small matches upto 10 words
 - E. Small similarity less than 1%
 - F. Mathematical Formula
 - G. Name of Institutions, Departments etc.
3. 3. Regarding Self Plagiarism or cases where published work of the student is shown as Plagiarism in the check, a certificate (Plagiarism Self Exclusion Certificate, attached) has to be issued by the Supervisor specifying and attaching the articles that have been published by the student from thesis work. Only these articles should be excluded from the check. No other article of the Supervisor or the student should be excluded from the check. This will be for reference of the library which will perform the final check.
4. 4. The Central library will issue the final certificate of Plagiarism Check called the Plagiarism Verification Certificate (attached), certifying and authenticating the check performed by the student/Department.

For any queries, please contact the Central library or the Research Council.

Thanking in anticipation

Yours sincerely,
