

**Department of Commerce  
Delhi School of Economics  
University of Delhi  
Delhi-110007**

Dated: - 07/02/2017

**NOTICE**

It is for information to all the students of M.Com/MBA (HRD/IB) that Department of Commerce is seeking regular and active participation of students in the events/lectures/activities organized by the Department. Citing the low attendance of M.Com /MBA (HRD/IB) students in the events organized by the department in recent past, it has been decided to take serious note of such attitude of the students.

It has been decided to deduct one mark for each absent per session during the event. On the other hand, student's participation and presence in the events/lectures/activities will fetch them one mark for each of the session attended during the event. It may further be noted that the presence or absence from each seminar will be counted against attendance in lectures/ tutorials for each subject.

This decision is applicable for all the events (including the workshop held on 21<sup>st</sup> January, 2017), requiring compulsory attendance of the students.

**Prof. Kavita Sharma  
(Head of the Department)**
